

The grape varieties

FOR OUR WHITE WINES

ROUSSANNE, an aromatic grape that gives complexity, elegance, develops floral fragrances.

VIOGNIER, known for its roundness and exotic fragrances.

GRENACHE BLANC brings structure.

FOR ROSÉ WINES

GRENACHE for the quality of its aromas and its low acidity.

CINSAULT, brings structure, vivacity and bouquet.

CARIGNAN, brings nice fruity aromas and structure.

FOR RED WINES

GRENACHE brings roundness, fruity and spicy aromas.

SYRAH, great aromatic richness, gives the tannic structure.

CINSAULT brings elegance, finesse and freshness.

CARIGNAN brings colour and tannic structure

MARSELAN produces a complex wine, very colorful, very fragrant, rich in supple and harmonious tannins.
