At the Cellar

FROM GRAPE TO WINE

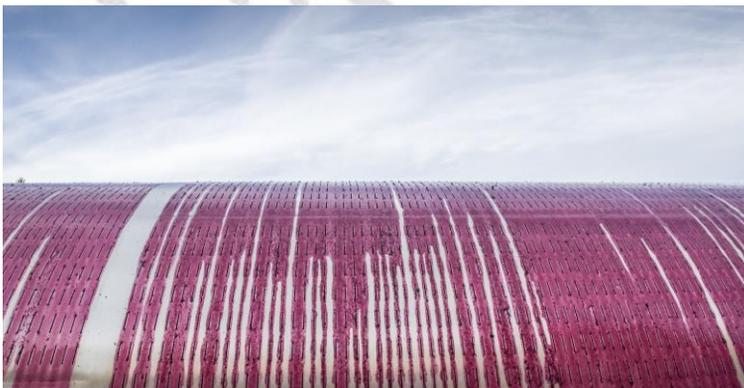

During the harvest, the grapes are carefully selected to be picked at optimum ripeness. Using traditional process with temperature control, maceration before fermentation, crushing and destalking, each grape variety is fermented in separate tanks.

THE BLENDING

Blending is the last step of the wine production. This final touch must be consistent with the previous stages, from harvesting grapes at perfect ripeness until winemaking. By mixing the different wines vinified by grape variety, by terroir, by land ... we elaborate the best wine possible for our pleasure, and yours !

INFLUENCE OF THE MOON

The moon exerts an influence on the vine, but also on the different stages of wine production. Indeed, wine is a "living" product that continues to evolve over time.... It is therefore important to take into account the lunar influences from the vine to the bottle

During the tasting, a successful blend reveals the winemaker's style !

The 100 best wines for summer: red, fizz, white and rosé

2015 Domaine Clavel, Côtes du Rhône Villages (France, 14.5 per cent)

Oxford Wine Co, 01865 301144, £17.90

I loved this pretty sage, black pepper and lavender-perfumed Clair de Lune blend of mostly grenache with a dollop of syrah and dash each of carignan and cinsault.

STERRENWIJN

Op de rechteroever van de Rhône, als een soort toegangspoort tot de vallei van de Cote, vinden we het dorpje Saint-Gervais. Het maakt deel uit van de twintig trotse gemeenten die hun naam mogen toevoegen aan de AOC Côtes du Rhône Villages. De familie Clavel verbouwt hier al wijn sinds 1840.

Gebeelshoud door de Mistral, zo zijn de wijntakken van Domaine Clavel er uit. Ze genieten van de invloed van de Middellandse Zee enerzijds en van de dorre wildheid van de Cévennes anderzijds. Clavel Clavel leeft die 80 hectaren van het domein, met een schuiege hulp van haar vader Denis. Haar gaeeste is tegelijk simpel en ambitieus het karakter en de authenticiteit van haar levende trouw bijeen. Die percelen strokken zich uit over 5 dorpen. De belangrijkste wijngaard ligt echter op het territorium van Saint Gervais zelf, met hellingen met een expositie op het zuiden. De bodem is een mix van zand, kalkrijke gesteente afgewisseld met een koeler plateau waar de winden heersen.

DUURZAAMHEID

Domaine Clavel is ingeschreven in het duurzaamheidsprogramma van Terra Vitis. Dat betekent dat er dag na dag regels inzake milieu, biodiversiteit en duurzaamheid worden nageleefd. Elke interventie is welafwegend om de impact op de natuur tot een minimum te beperken. Dat vergt inzet en talent. Je moet je wijngaard goed kennen, de weersvoorspellingen nauwkeurig volgen en nadenken hoe het in de toekomst moet. Omdat zo duurzaamheid belangrijk is, besloot het Domaine Clavel al in 2000 om het Terra Vitis label na te streven. Vandaag heeft het domein het certificaat van 'Haute Valeur Environnementale' behaald.

Het de focus op de productie van wijnen van de AOC's Côtes du Rhône en Côtes du Rhône Villages, is de aanplant op Domaine Clavel ook typisch voor de Rhône. Bij de witte druivenrassen vinden we Roussanne, die zorgt voor elegantie en complexiteit, de Viognier met zijn exotische parfums en de Grenache blanc die smaakdepte geeft. In rood speelt het belangrijke duo Grenache-Syrah de eerste vioel, aangevuld met Cinsault, Carignan en Marselan. Daarnaast blauwe druivenrassen leggen ook aan de basis van de roodwijnen.

HET GAMMA

Als slagen gebruikt Nathalie Clavel graag een uitspraak van de Rimbaysche schrijver Oscar Wilde: 'Je moet altijd de man al die hebben. Zelfs als je mislukt bent, heb je nog altijd parfums de sterren.' Maar? Ja, want ook al werkt Nathalie niet volgens de regels van de bodyminie, toch vindt ze de cosmische elementen inspirerend, vandaar ook de namen van haar wijnen. Stelgaten is een gamma dat de drie Maanen van de Côtes du Rhône vereenigt. Syrius (de helderste ster aan het firmament) omvat twee Côtes du Rhône Villages: Saint Gervais, Cuvée de Villages Chusclan en Clair de Lune twee topwines die ook als Villages het daglicht zien.

COMMENTAAR VAN VINO

Domaine Clavel, Clair de Lune Blanc, Côtes du Rhône Villages Saint-Gervais 2016, Terra Vitis, €15,40

Intense en aromatische nous voor deze klassieke blend van Roussanne en Viognier, met florale toetsen en hints van gedroogd wit fruit en garrigue. Aangeel met opmerke knuden en wat citrus in de finale. Goede lengte en structuur. Dit is een fraaie gastronomische wijn die past bij gegreide vis, wit vlees en gevogelte.

Domaine Clavel, Clair de Lune Rouge, Côtes du Rhône Villages Saint-Gervais 2015, Terra Vitis, €13,90

Grenache, Syrah, Carignan en Cinsault vormen de solide basis waarop deze wijn staat. Dijk en generos van bij het eerste contact. Impressies van zwaarte olijf en herfstruit met de wilde kruidenroets van de Cévennes. Het tweede gedeelte van het palet rijgt naar frishied en elegantie en zorgt voor de lichte doordringbaarheid die we van de beste, moderne Rhônewijnen mogen verwachten.
